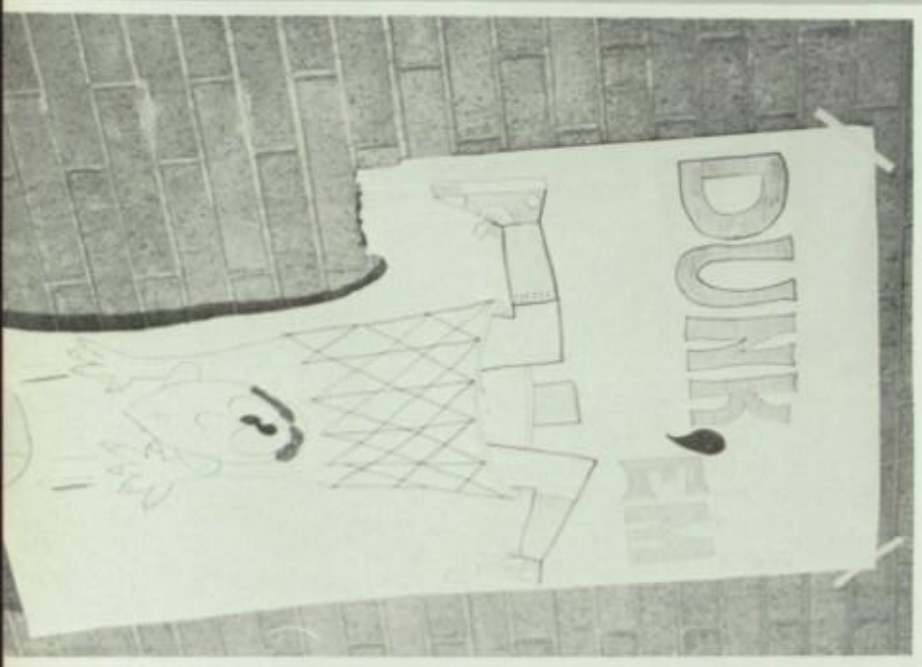
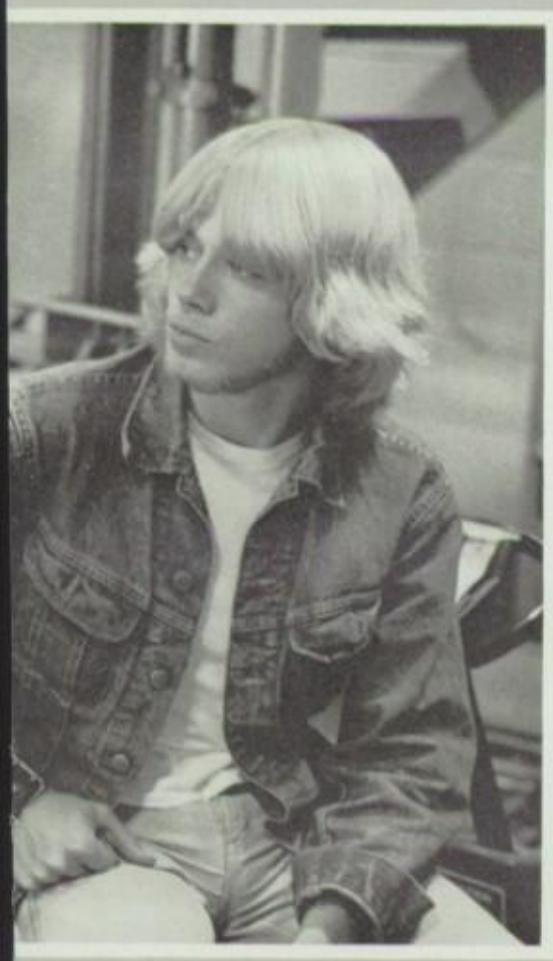
# ACTIVITIES



The AQUILA and the EAGLE'S EYE have had a few new additions this past year. The EAGLE'S EYE has been published by co-editors with much success. This year the AQUILA features color senior pictures and teacher biographies.

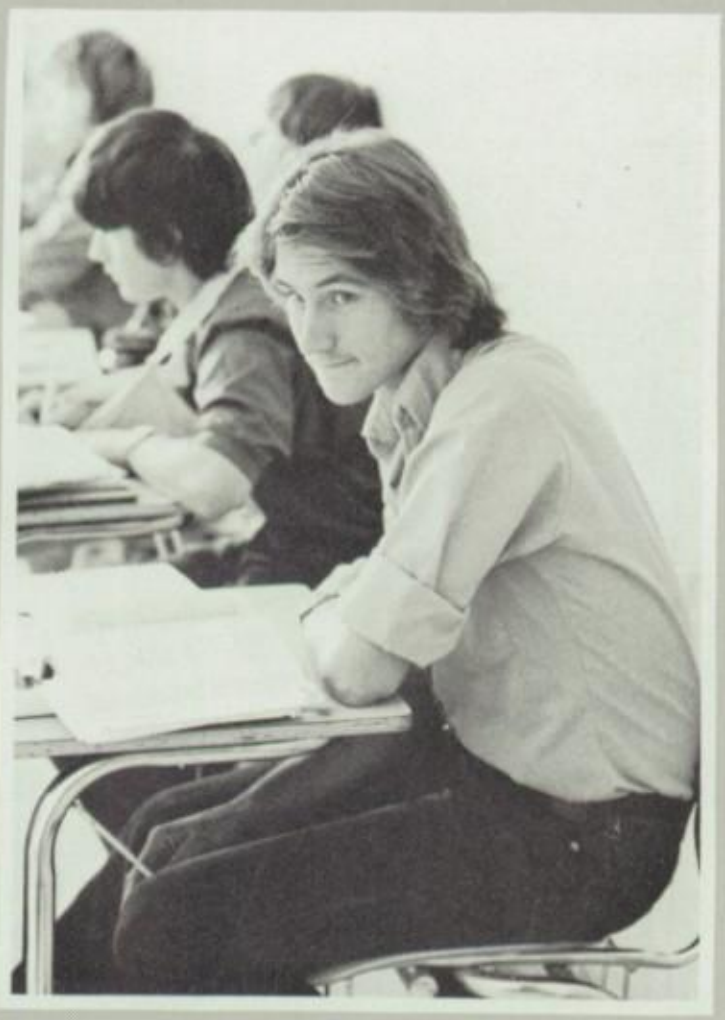
A new language was heard in the halls this year at E.H.S. German made the fourth language offered to high school students. It was a good addition, for all its participants really enjoyed it!

# PENTA

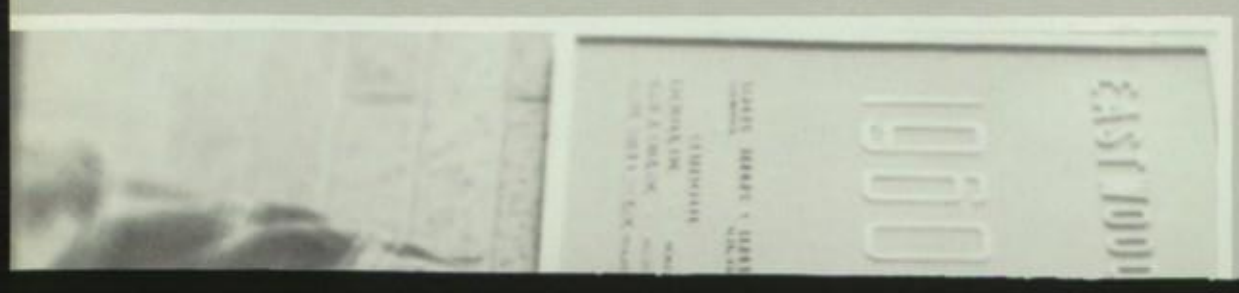


88 Eastwood High School students enrolled at Penta County for the 1978-79 school year. This is 19% of the student body of Eastwood, slightly more than last year. The average percentage of all 16 schools attending Penta is 24% of their students.

Penta County Vocational High School senior Greg Bateson was a candidate for president of the Ohio Office Education Association. He decided to try for the office because he was new at Penta and he wanted to meet more people. Although he did not win the position, he was one of the top three finalists in the state.



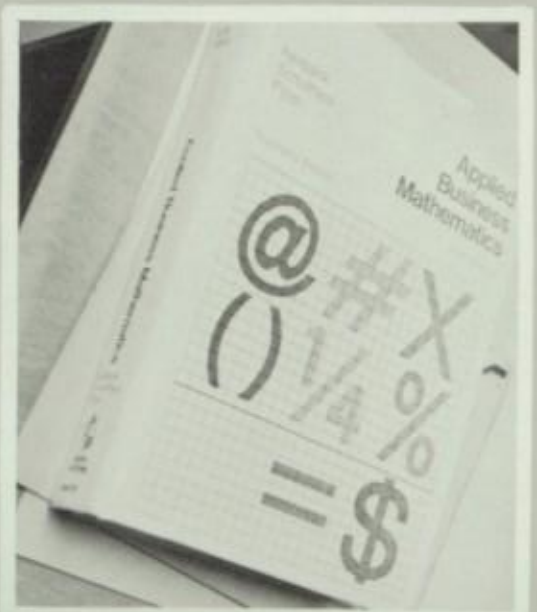
# SENIORS



One of the many outstanding 1979 seniors this year is John Henry. In October 1977, John took the PSAT test along with one million other students and was declared a National Merit semi-finalist. John plans to major in physics at Case Western Reserve University.

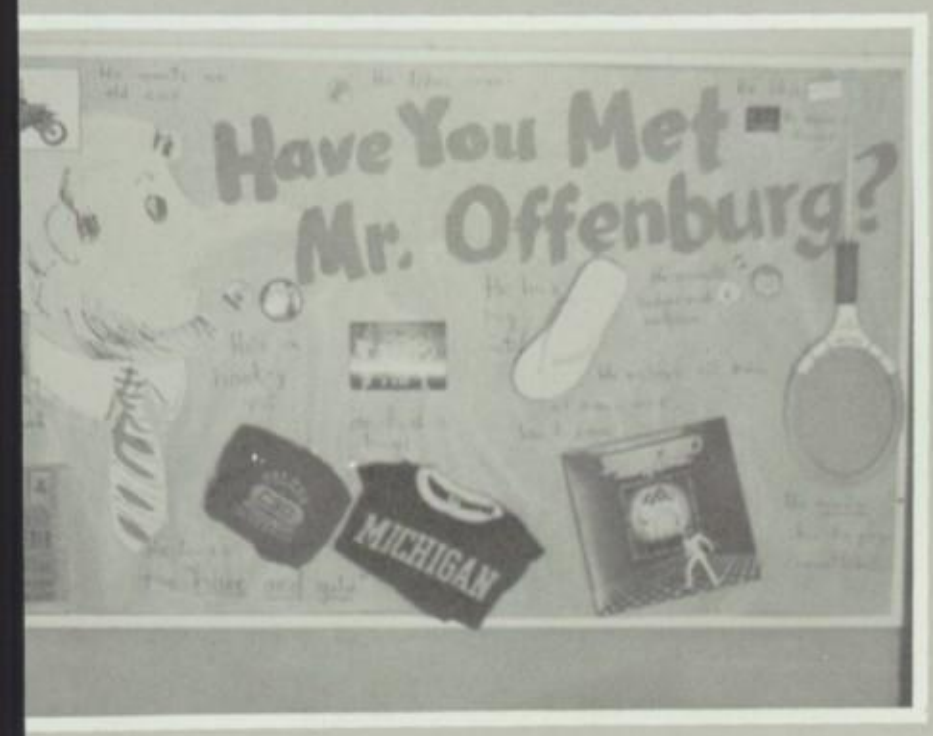
Eastwood has been honored this year to have senior Elizabeth Susanne Wolbers as an exchange student from West Germany. Liz, an only child, is 16 and is from Onsabruck in Northern Germany. She got her chance to come to the U.S. on August 20th and is staying with Mr. and Mrs. Larry Sattler of Pemberville until July 1979. Although American and German ways differ greatly, Liz enjoyed watching General Hospital and Burt Reynold's movies.

# PERSONNEL



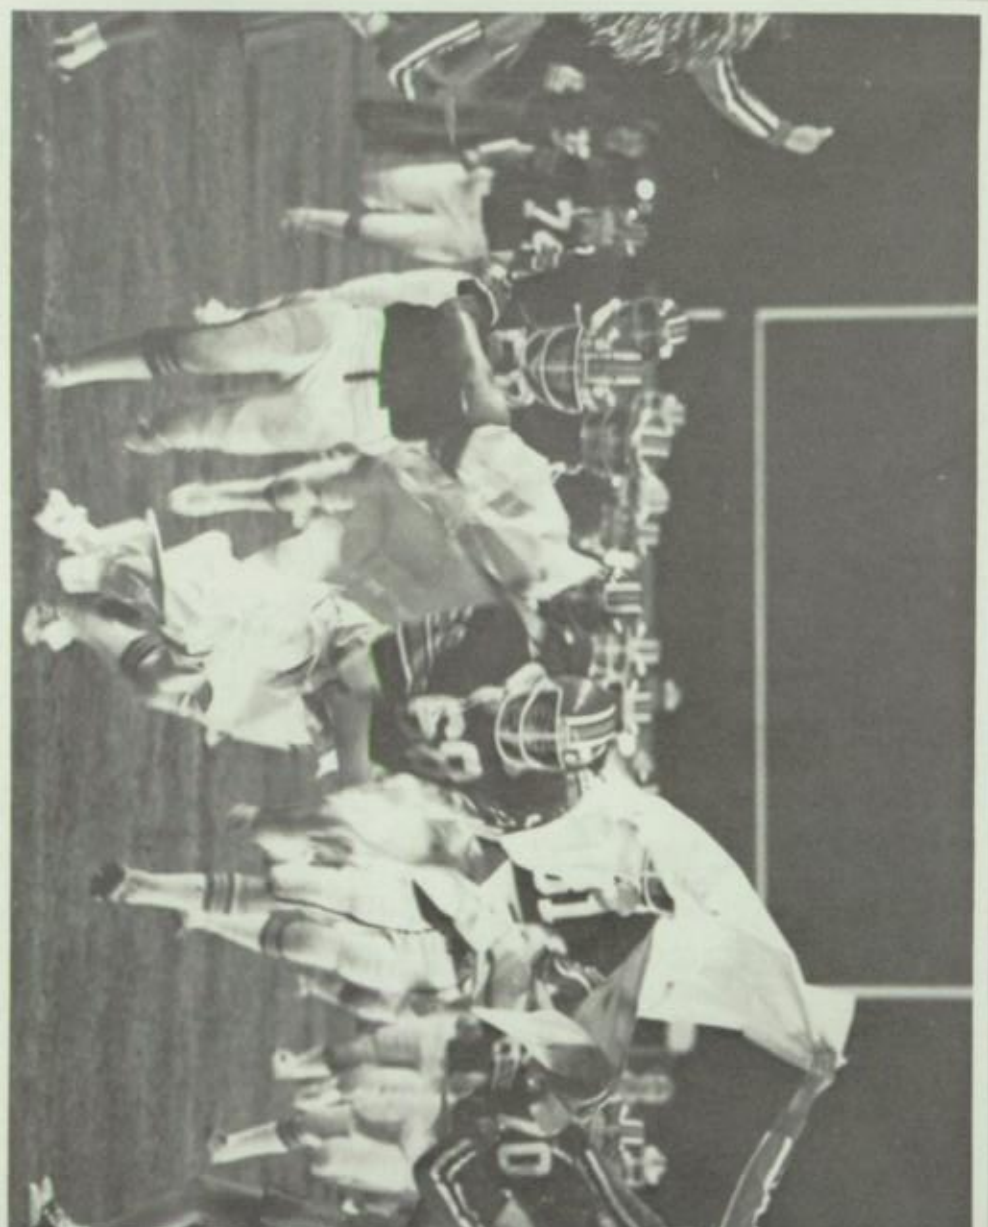
To a fine drummer!
M. Mac
1979

This year EHS has a new absentee policy. Slips are received in the office and must be signed by every teacher a student has in a day. Blue slips are given for excused absences and yellow slips for unexcused absences. Unexcused absences are limited to 5 a quarter, 10 a semester, and 20 a year or else failing results.

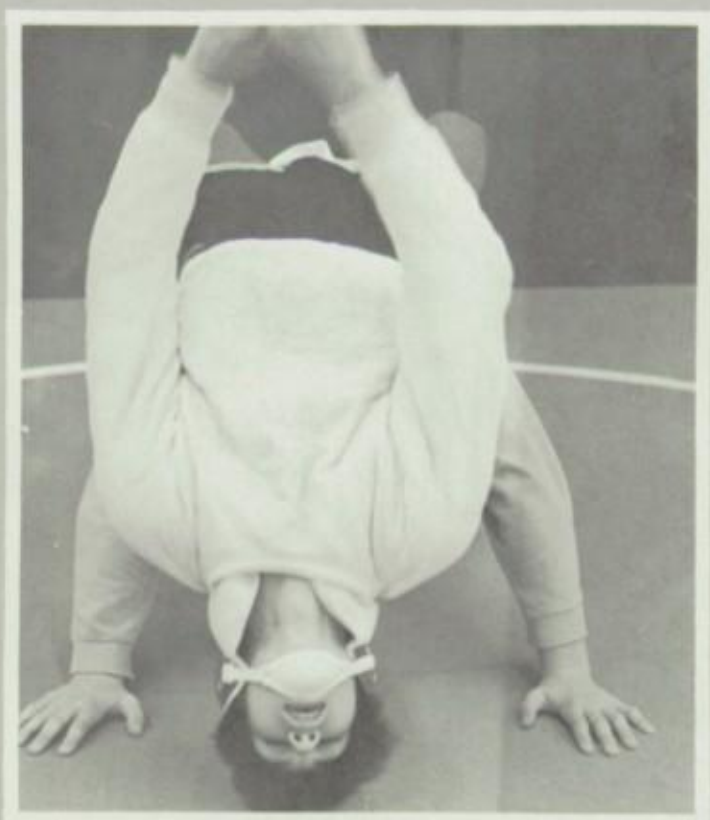


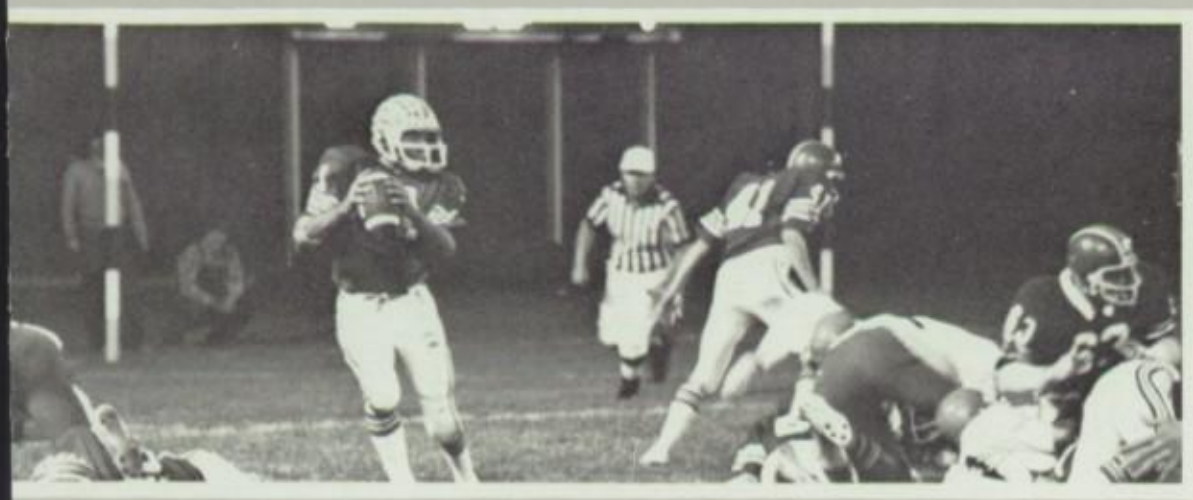
Another system at EHS that is new is the serving of the daily meals. Not only was the price raised to 70¢, but the menus were also changed. The same meal is served at each school. Type A lunch is the regular meal which is served every day. However, at the high school an Ala Carte lunch is also available for students. This meal always consists of a burger and fries.

# SPORTS



Senior Jenny Turkal had the experience of competing in the State Girls' Cross Country Race this year. After being a finalist in the district meet, Jenny prepared for the state race. She placed 46th out of 75 girls. Jenny had a successful year and plans to keep running.





For the first time ever the Eastwood golf team was a participant in the State Golf Tournament. After placing first in both the sectional and district matches, the team advanced to state where they placed sixth. Although on the first day they were in tenth place, an excellent round of 337 put the Eagles, represented by Jim Corbett, Doug Rubel, Jim Juergens, Scott Sayen, and Gary Gardner in sixth.

The increased number of Ads sold this year has contributed to the many new features in the 1979 AQUILA. Many thanks goes to the Merchants who made this possible and the effort shown by the staff. Also, a special thanks and free AQUILA goes to Linda Bushman and Deb Ebka for their outstanding salesmanship.

Thank you,

Linda Howey

In creating a book that will help you remember the year 1979, we faced the difficult task of trying to capture even the most important events, but we hope that we have saved a few of the many memories acquired over the past year. The anxious hours spent on this book were highlighted by enjoyable periods of success and thoughts of its benefit to others.

We would like to thank Mr. Gerke, our advisor; Sid Rodeheffer, our representative; Dennis Walston, our photographer; and all others who helped us with this book.
